MAIMBA MAPURANGA

Maimba Mapuranga is an accomplished Zimbabwean media personality, communications specialist, entrepreneur, and Master of Ceremonies with extensive experience hosting some of the country's most prestigious corporate, government, diplomatic, and social events. Widely recognized for his commanding stage presence, eloquence, and ability to connect with diverse audiences, he has established himself as one of Zimbabwe's leading event hosts and facilitators.

Beyond the stage, Maimba is the founder of Cutting Edge Media and Events, a company that has played a significant role in delivering professional event management, communications, and media solutions across Zimbabwe. His career has seen him work alongside prominent business leaders, government officials, development partners, and international delegates, earning a reputation for excellence, professionalism, and attention to detail.

Known for bringing energy, sophistication, and seamless event coordination to every occasion, Maimba's contribution to the events industry continues to inspire confidence among clients and audiences alike.

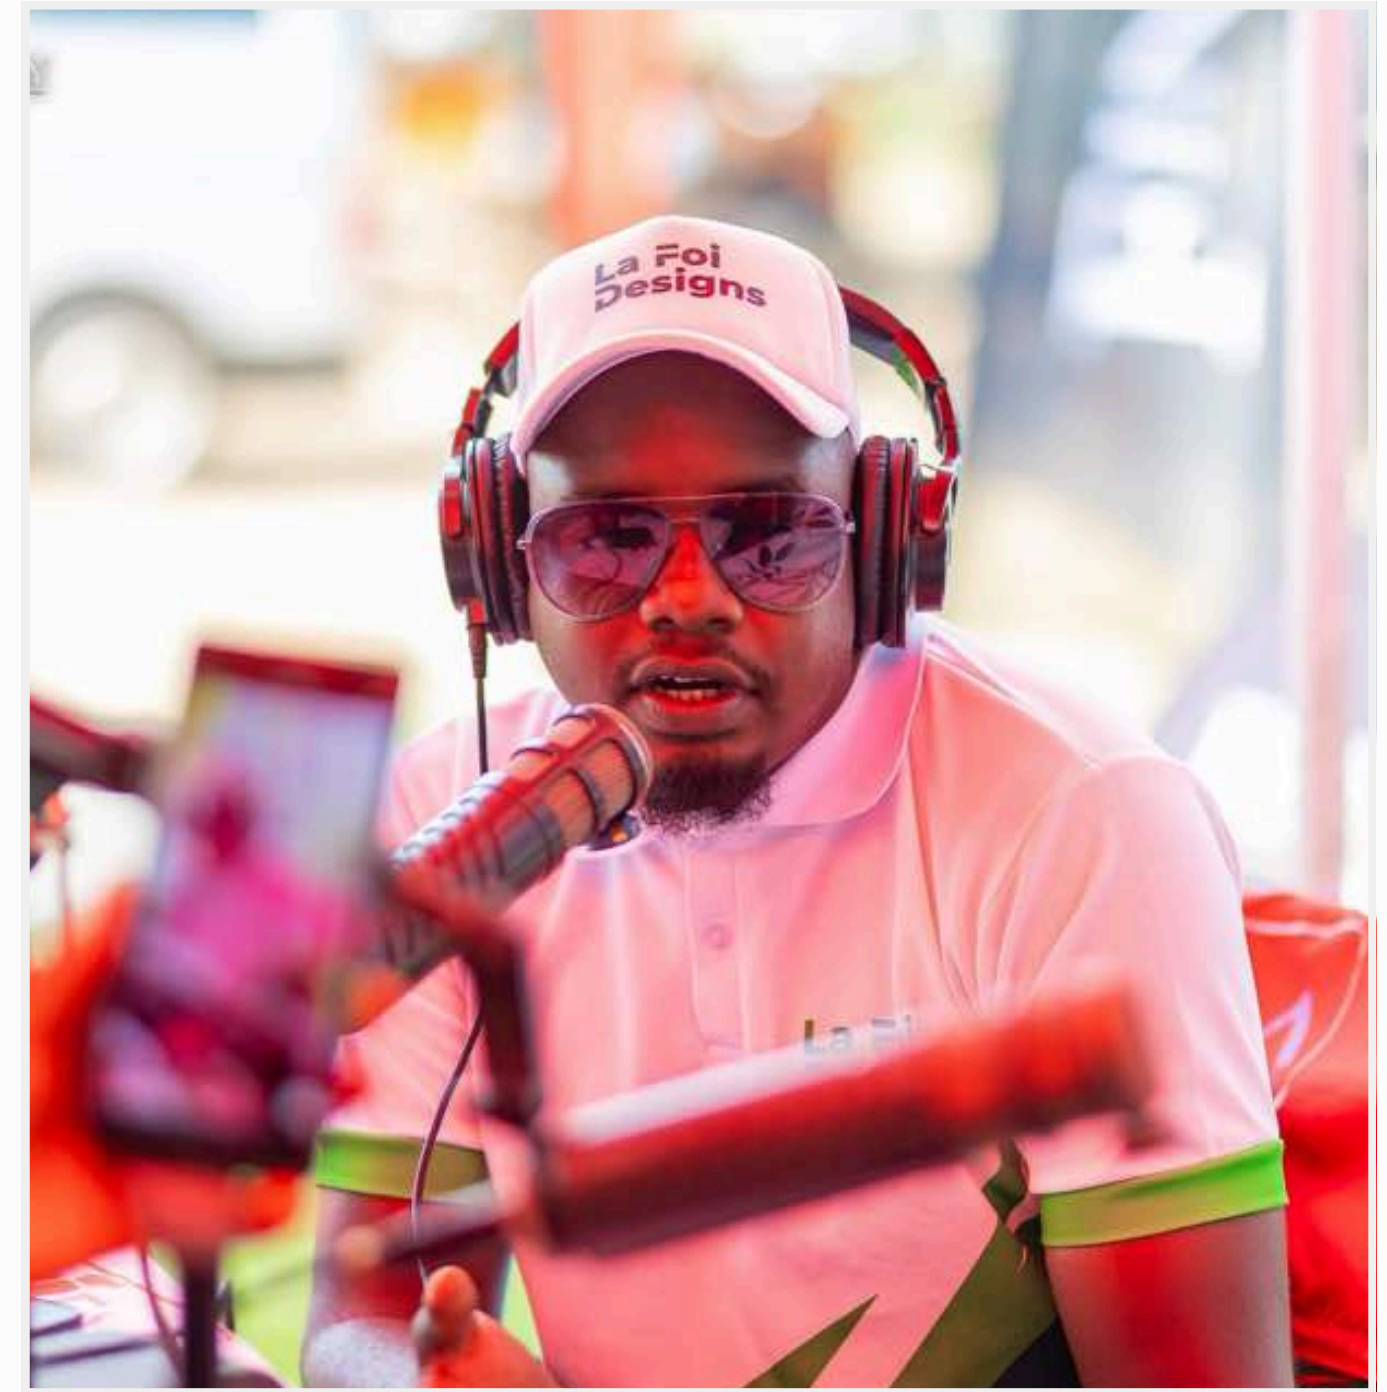

TAKUDZWA MHEMBERE

Takudzwa Mhembe is the visionary entrepreneur and strategic mind behind La Foi Designs, the pioneering force introducing stretch ceiling technology to Africa. As CEO and Co-Founder, he leads the company with bold foresight and an unwavering commitment to innovation, positioning La Foi Designs as a market disruptor redefining the continent's interior design landscape.

Academically grounded in both business and operational excellence, Takudzwa holds a Bachelor of Science in Business Management and Marketing, and a Master of Science in Supply Chain and Logistics Management, a combination that uniquely equips him to scale a high-quality product business with precision and commercial acumen.

His vision goes beyond ceilings. Takudzwa is engineering Africa's interior revolution from the top down, bringing world-class European stretch ceiling technology to Zimbabwe's residential, commercial, and hospitality sectors for the very first time. Tonight's launch is not just the opening of a showroom, it is the realisation of a dream to transform how Africa thinks about its living and working spaces.

ASHLEY TAFIRENYIKA

Ashley Tafirenyika is the engine behind La Foi Designs' operational excellence. As Chief Operating Officer, he is the hands-on force ensuring every project is delivered with precision, speed, and an uncompromising standard of quality, from first concept to flawless completion.

Holding a BSc in Business Management and Entrepreneurship from Chinhoyi University of Technology, Ashley blends strategic thinking with a boots-on-the-ground approach that keeps La Foi Designs running at peak performance. Where the CEO sets the vision, Ashley makes it happen.

Under his leadership on the ground, La Foi Designs is establishing a new gold standard for African interiors, one seamless, luxury ceiling at a time.

DR. TINASHE MANZUNGU

Dr. Tinashe Manzungu is one of Zimbabwe's most prominent entrepreneurs, with a diversified business empire spanning construction, property development, financial services, and health insurance. He is the co-founder and CEO of Zimbuild Property Investments and Group Chairman of TM Group, which encompasses Clientsure Health Insurance among other enterprises.

He is the current President of the Zimbabwe Building Contractors Association (ZBCA), a former President of the Zimbabwe National Chamber of Commerce (2020–2021), and sits on the COMESA Business Council and Africa Business Council. In 2023, he was awarded an honorary doctorate in Business Administration from California Metropolitan University. A sought-after global speaker, Dr. Manzungu has represented Africa at platforms including the UK House of Lords, where he addressed investment opportunities across the continent.

HON. K.D MNANGAGWA

Hon. Kudakwashe David Mnangagwa is a politician, entrepreneur, and legal professional serving as Deputy Minister of Finance and Investment Promotion, appointed, making him one of the youngest serving ministers in government.

Beyond politics, he is Executive Director of Flame Lily Venture Capital and a Non-Executive Director of the National Building Society (NBS). He holds an LLB (Honours) from the University of Zimbabwe and a BSc in Business Administration (Actuarial Science) from Drake University, Iowa, USA, a background that places him at the intersection of law, finance, and investment policy.

HON. TINODA MACHAKAIRE

Hon. Tinoda "Tino" Machakaire is a dynamic Zimbabwean politician, entrepreneur, and youth champion, currently serving as Minister of Youth Empowerment, Development and Vocational Training. He previously served as Deputy Minister of Youth, Sport, Arts and Recreation, and has been the Member of Parliament for Wedza South since 2018. He also serves as ZANU-PF National Secretary for Youth Affairs.

A self-made entrepreneur before entering politics, Machakaire ventured into carpentry in 1998 and later founded TinMac Investments, a transport and logistics company. A regional award-winning entrepreneur and philanthropist, he is recognized for championing youth empowerment and vocational training at the national level, bringing energy and accessibility to a portfolio that resonates deeply with Zimbabwe's young population. His presence tonight as Guest of Honour reflects his commitment to supporting indigenous enterprise and innovation in Zimbabwe's growing economy.

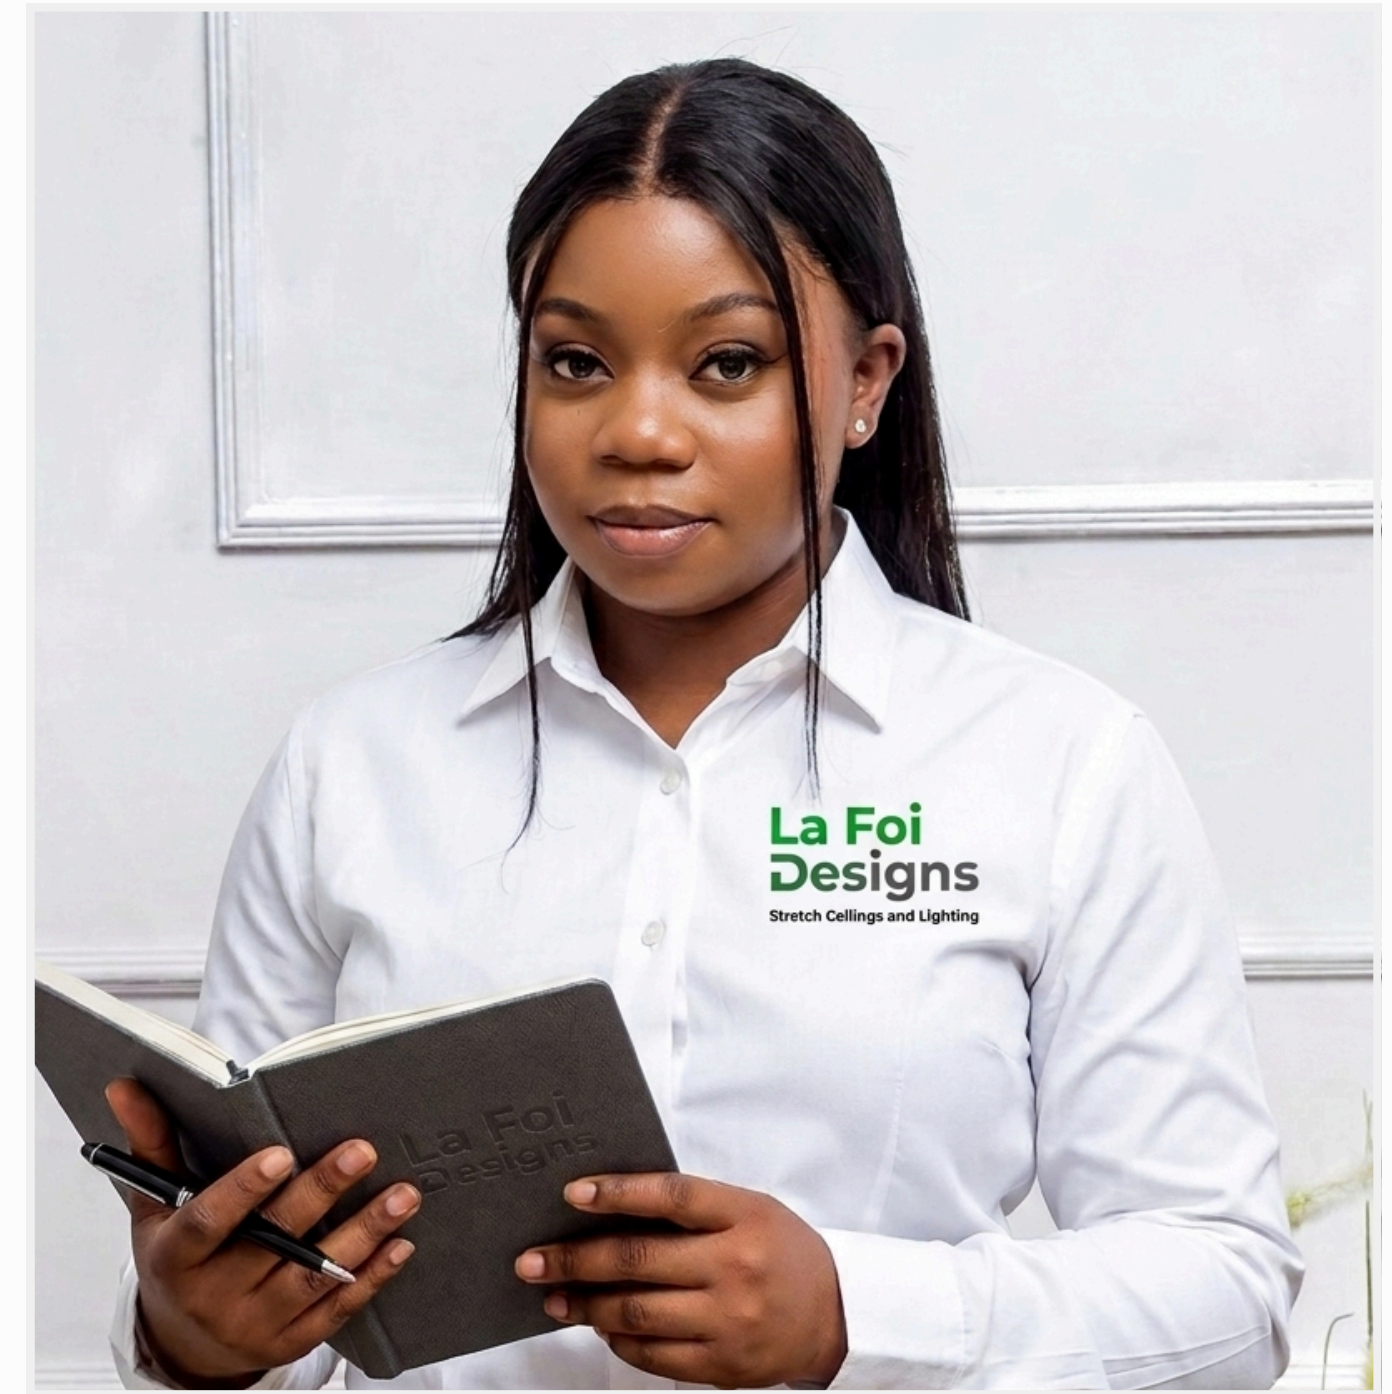

FAITH MHEMBERE

Faith Aritura Mhembe is a dynamic professional whose life and work bridge healthcare, entrepreneurship, and women's empowerment. Trained in Podiatry at the University of Huddersfield in the United Kingdom, she has delivered patient-centred care across the UK's National Health Service and private sector, specialising in minimally invasive surgery, diabetic foot management, and biomechanical correction.

Beyond medicine, Faith is the Co-Founder and Managing Director of La Foi Designs , the company whose official launch we celebrate tonight. She is also Co-owner of Alzscent's Essential Aromas, a wellness brand rooted in natural healing, and founder of Step Forward Health Aide, a charitable initiative supporting families affected by PPRM, stillbirth, and infant loss.

A woman of resilience, vision, and purpose, Faith embodies the excellence of African women making a global impact, building businesses, restoring health, and inspiring communities. Tonight, as La Foi Designs opens its doors to the world, her dream becomes reality.
